

CartSMART

*Weekly
Services Start
January 3, 2011*

How to Use Your New Carts Starting January 3, 2011:

Starting the week of January 3, 2011, your Recycle, Compost and Garbage Carts will be picked up **EVERY** week, on the same day as your garbage. **Every week will be recycling week!**

RECYCLE CART: *Remember – no more sorting! Continue to mix all of your recyclables together, including newspaper, junkmail, cardboard and other paper products with your plastic, metal and glass containers.*

COMPOST CART: *Your green cart will officially be your Compost Cart starting the week of January 3, 2011! You can then start putting food scraps and food- and beverage-soiled paper products in with your yard trimmings. Things like leftovers, meat and bones, dairy, produce, pizza boxes, and paper plates, napkins and paper cups can now be mixed with the grass clippings, branches and yard trimmings. (No change for San Carlos residents, the program continues as it was.)*

GARBAGE CART: *Basically anything that doesn't go in the Recycle and Compost Carts will go into this cart.*

**Hillsborough residents will continue to use their existing green Yard Trimmings Carts, and only receive new Recycle and Garbage Carts.*
